HARI RAM SAI GOPIDESI

Full Stack Java Developer

Visakhapatnam, Andhra Pradesh, India | +91 8374826515 | harivits007@gmail.com

PROFESSIONAL SUMMARY

Computer Science graduate and Full Stack Java Developer with hands-on experience building end-to-end web applications using Core Java, Object-Oriented Programming (OOP), HTML, CSS, JavaScript, and MySQL. Skilled in responsive front-end interfaces, CRUD operations, authentication modules, and normalized relational database schemas. Wipro TalentNext Certified in Java Full Stack Development. Strong foundation in data structures, exception handling, multithreading, and Git.

TECHNICAL SKILLS

Languages: Java, SQL | **Backend:** Spring Boot, REST APIs | **Database:** MySQL

Tools: Git, Postman, VS Code | **Concepts:** OOP, Collections, JDBC, Multithreading, Exception Handling

Front-End: HTML, CSS, JavaScript

PROJECTS

Library Management System | HTML5, CSS3, JavaScript, MySQL
Developed a full-stack library management application for book tracking and user management, with login/register authentication and CRUD modules. Built responsive UI components with vanilla JavaScript, instant search and filtering, and a normalized MySQL schema for users, books, and transactions with foreign key constraints.

Simple Banking Application | Java, OOP, Exception Handling, Collections
Built a console-based Java banking system with OTP verification, deposit/withdrawal logic, and password validation. Applied encapsulation, inheritance, and polymorphism. Created custom exceptions for insufficient balance, invalid input, and failed OTP. Used ArrayList and HashMap to manage accounts and transaction histories in memory.

IoT-Based Safety System with Alerts and GPS Tracking | IoT, GPS, GSM, Embedded C
Developed an IoT safety solution with real-time GPS tracking and GSM SMS alerts. Integrated a Neo-6M GPS module with a microcontroller and programmed a SIM800L GSM module via AT commands to send SMS alerts with live location data when a safety threshold is breached.

EDUCATION

B.Tech, Computer Science and Engineering | Parvathareddy Babul Reddy Visvodaya Institute of Technology and Science, Kavali, AP | 2025 | CGPA: 7.17

Diploma, Electrical and Electronics Engineering | Government Polytechnic College, Kavali | 2021 | CGPA: 7.37

CERTIFICATIONS

Java Full Stack, Wipro TalentNext (2024)

Participant, College Coding Challenge, Technical Fest
